# Online Church Feedback

## Elim Aberystwyth Online Church Feedback

We have been meeting online for almost two months and there have been several changes along the way to try and help improve the way we are running online church. We are now seeking feedback from our church family to help support our online journey as we move forward.

Whilst there remains much uncertainty regarding the length of time we will be experiencing lockdown and social distancing regulations, it is likely we will need to continue to meet online for the foreseeable future so we want to make it the best it can be!

Please try to answer each question and as do so honestly. If you can't think of an answer, please write N/A in the space provided. We would really appreciate as many people taking part in the household as possible (using separate forms) so that we can get a broad picture of people's experiences.

Be blessed.

Pastor Joel and the Leadership Team.
