WHAT LENSES ARE YOU USING?

BlogSpot by Joel Pridmore

Over lunch one day during my recent trip to Cambodia I found myself being given a stern challenge / encouragement.

During one of the sessions at the Leader's conference, I found myself rather raw emotionally in facing the reality of some of the challenging things I've had to walk through. As I talked some stuff through with a trusted, experienced pastor, he asked me a tough question about the lens I was allowing myself to look at life through.

The reality is that we all face tough stuff and we all know what it is to get things wrong at times. But we do not need to allow our pain or our failures to dictate the rest of our story!

The lenses that God offers us to see life through include lenses of faith, hope and love. I believe putting on one of those lenses today might help you begin to face what lies ahead in a God-focused way... Even our failures can be used by God for His good purposes!!

May you see through God shaped lenses today.

*"As for you, you meant evil against me, but God meant it for good, to bring it about that many people should be kept alive, as they are today."
(Genesis 50:20)*

... Our church... ‘Our Father who dwells in Heaven, May Your holy Name be honoured. Let Your Kingdom come, let Your will be done here in Elim Church Aberystwyth as it is in Heaven. Amen.’

... All those affected by the mass shooting in Las Vegas last week. That Gods comfort would surround those who lost loved ones, that the wounded would be healed and that all who were there can find restoration from the trauma.

... Those affected by Hurricane Nate. Pray for those who have lost loved ones and protection for those still facing or preparing to face the storm.

... Elim’s work in Cambodia. Pray for blessing for Elim missionaries David and Esther Allen in their work in Phnom Pehn, for the church plants in the provinces and for the Be Free Project.

... All new students who have moved to Aberystwyth. That they would have a great time studying and living here and that they would grow in their knowledge of God, not just their studies.

... The preparations for the Carol Service with J-John in December – especially the training events taking place tomorrow.

... Jon and Jess following their recent engagement.

... The joint churches newspaper project being developed in Aberystwyth to be an effective in reaching many in our town with good news.
